With a focus on modern urban construction, livable city renewal, refined urban governance, and high-quality urban life to optimize its program structure, SUCC is committed to cultivating high-quality technical and skilled talents with modern awareness, international perspectives, and the spirit of model workers and craftsmen. SUCC comprises nine secondary schools: Digital Construction, City Operation and Management, Municipal and Ecological Engineering, Architecture and Environment Art, Application of Artificial Intelligence, Health and Social Care, Business Administration, Food and Tourism, and Continuing Education. It offers 44 majors, including Architectural Engineering Technology, Municipal Engineering Technology, Construction Cost, Prefabricated Architectural Engineering Technology, Ancient Architectural Engineering Technology, Restoration and Protection of Cultural Relics, Modern Estate Management, Big Data and Accounting, Smart Health Service and Management for Seniors, Food Quality and Safety, Big Data Technology, Intelligent Control Technology, and Hotel Management and Digital Operation. These include 14 nationally recognized key majors, eight first-class majors in Shanghai, and six high-level vocational education major clusters in Shanghai. Currently, SUCC has over 10,000 enrolled students.

学校积极响应“一带一路”倡议，是“一带一路”中国教育国际交流分会副理事长单位，中国职业技术教育学会国际合作交流工作委员会副主任委员单位；入选“中阿高校10+10合作计划”中方成员高校和首批“中国-东盟千校携手计划”项目学校。学校在亚洲、非洲和欧洲建成12个海外教学基地，为坦桑尼亚、冈比亚等9个国家开发完成14个高级别岗位标准、14项专业标准、15项课程标准。学校在上海高职院校中率先招收国际学生，截至目前，已累计培养百余名国际学生，生源遍及泰国、老挝、印度尼西亚、巴基斯坦、塔吉克斯坦等多个国家。学校多次获评中泰职业教育国际合作突出贡献奖、亚太职业院校影响力50强，国际交流合作案例数次被高职质量年报、中华职业教育社等多家机构收录或获评为优秀案例。

SUCC actively responds to the Belt and Road Initiative. It is a vice-chairman unit of the Belt & Road Education Committee, China Education Association for International Exchange (BREC-CEAIE) and a vice-chairman unit of the International Collaborations Committee, Chinese Society for Technical and Vocational Education. It has been included in the “10+10” cooperation plan between Chinese and Arab universities and in the first group of colleges under the “China-ASEAN Thousand Colleges Hands Together Initiative”. SUCC has established 12 overseas teaching bases across Asia, Africa, and Europe, and has developed 14 advanced job standards, 14 professional standards, and 15 curriculum standards for 9 countries including Tanzania and Gambia. As the first among Shanghai’s higher vocational institutions to admit international students, SUCC has to date trained more than 100 international students from Thailand, Laos, Indonesia, Pakistan, Tajikistan, and other countries. SUCC has been repeatedly awarded the China-Thailand TVET Cooperation Outstanding Contribution Award and ranked among the Top 50 Influential Asia-Pacific Vocational Colleges. Several of its international exchange and cooperation cases have been included in the Annual Report on Higher Vocational Education Quality and have been recognized as exemplary cases by institutions such as the National Association of Vocational Education of China.
